Data Usage Agreement

SVM-OL: A Multimodal Affective Database for Online Learning

This Data Usage Agreement ("Agreement") is entered into by and between the data provider (hereinafter referred to as "Provider") and the data recipient (hereinafter referred to as "Recipient"). By signing this Agreement, the Recipient agrees to comply with the following terms and conditions for accessing and using the SVM-OL database.

Article 1: Purpose of Data Use

The SVM-OL database is provided exclusively for non-commercial academic research purposes. The Recipient shall not use the database for any commercial purposes, including but not limited to product development, commercial services, or any profit-generating activities.

Article 2: Data Protection and Confidentiality

The Recipient agrees to the following obligations:

- The database shall not be redistributed, shared, copied, or transferred to any third party, in whole or in part, without prior written consent from the Provider.
- The database shall be stored securely with appropriate access controls to prevent unauthorized access.
- The Recipient shall not attempt to identify, contact, or re-identify any individual participant in the database.
- The decryption password shall not be shared with anyone outside the approved research team.

Article 3: Citation Requirement

Any publication, presentation, or report resulting from the use of the SVM-OL database must cite the paper.

Article 4: Data Deletion

Upon completion of the research project or upon request by the Provider, the Recipient shall permanently delete all copies of the database and confirm the deletion in writing to the Provider.

Article 5: Liability and Violations

Any violation of this Agreement may result in immediate termination of data access and may lead to legal action. The Recipient shall be held liable for any damages resulting from unauthorized use or distribution of the database.

Article 6: Disclaimer

The database is provided "as is" without any warranty. The Provider shall not be held responsible for any errors, omissions, or consequences arising from the use of the database.

数据使用协议

SVM-OL：面向在线学习场景的多模态情感数据库

本《数据使用协议》（以下简称“协议”）由数据提供方（以下简称“提供方”）与数据接收方（以下简称“接收方”）共同签订。接收方签署本协议即表示同意遵守以下条款和条件，以获取和使用 SVM-OL 数据库。

第一条：数据用途

SVM-OL 数据库仅限用于非商业性学术研究目的。接收方不得将数据库用于任何商业用途，包括但不限于产品开发、商业服务或任何营利性活动。

第二条：数据保护与保密

接收方同意承担以下义务：

- 未经提供方书面同意，不得将数据库全部或部分重新分发、共享、复制或转让给任何第三方。
- 数据库应安全存储，设置适当的访问控制，防止未经授权的访问。
- 不得尝试识别、联系或重新识别数据库中的任何参与者。
- 不得将解压密码分享给经批准的研究团队以外的任何人。

第三条：引用要求

使用 SVM-OL 数据库产生的任何出版物、报告或演示文稿，必须引用本论文。

第四条：数据删除

研究项目完成后或应提供方要求，接收方应永久删除数据库的所有副本，并书面确认删除。

第五条：责任与违约

任何违反本协议的行为可能导致数据访问权限立即终止，并可能引发法律诉讼。接收方应对因未经授权使用或分发数据库而造成的任何损害承担责任。

第六条：免责声明

数据库按“原样”提供，不附带任何保证。提供方不对因使用数据库而产生的任何错误、遗漏或后果承担责任。
